Re: Petition for Rulemaking of LoJack Corporation, RM-
_____, filed October 25, 2004
ET-Docket No. 04-243

Dear Ms. Dortch:

The Westwood Police Department
101 Washington Avenue
Westwood
New Jersey
07675

supports the above-referenced Petition for Rulemaking ("Petition") filed by LoJack Corporation ("LoJack") requesting that the Commission expand the permitted uses and modify the technical requirements for operations on 173.075 MHz.

We believe LoJack's system enhancements will benefit us greatly. As our country becomes a target for terrorist activities, we are increasingly concerned regarding the movement of hazardous and dangerous cargoes. LoJack's cargo tracking devices will enable us to track and recover stolen cargo that could threaten public safety and national security throughout all of North America. In addition to stolen vehicle recovery, LoJack may provide automatic notification of a severe accident, including the location of the accident, directly to public safety. The network may also indicate the need for emergency medical or other assistance as appropriate. Finally, we support LoJack's concept of tracking individuals who are a risk, either to themselves or their community, including Alzheimer's victims, autistic children, and candidates for home arrest.

Sincerely,

Deputy Chief Frank D. Regino
